

SOCFINAF COMPANY LTD

Addicted to Quality

MARKETING

The more than 450 growers using the services of Oaklands Coffee Marketing Ltd to sell their coffee enjoy :

- The services of dedicated professionals totally independent from coffee trading and roasting companies. This independence guarantees full focus on maximizing the benefits for the growers.
- The prompt payment of coffee sold at the auction. The money is paid to the growers accounts 2 weeks after the auction.
- The possibility to exchange US \$ proceeds into Kenyan Shillings at the best rate negotiated by Socfinaf with her banks. As a coffee farmer, Socfinaf also exchanges \$ from her coffee on a regular basis. Our clients enjoy the same rate.
- The services of three certified liquorers, a guarantee that your coffee is cupped and re-cupped before assessing its value.

MILLING

The more than 600 growers (co-operatives, small, medium and large estates) milling at Socfinaf enjoy:

- Full traceability of their coffee from parchment delivery to transfer to ware house.
- Lowest comprehensive milling tariff in Kenya. Our milling tariff includes handling fees.
- Payment of sweepings and husks
- Quality of milling unanimously recognized by the coffee buyers in Kenya and worldwide.
- A mill certified Utz Kapeh and Starbucks Cafe Practices as well as registered Flo Fair Trade.

Definitely, today, Socfinaf offers the best milling money can buy.

We thank all stakeholders in the coffee chain for their confidence in Socfinaf professionalism. Happy new coffee year 2007/2008.
